Long time ago, Demonyx of the Dark Dimension attempted to invade Light Dimension.

After a long battle, the hero of the Light Dimension, Dragonlord · sealed Demonyx up by the power of the 'Mandara Talisman', and defeated the Dark Dimension.

However, Demonyx left the ominous prophecy. "I will be back when the Red Evil Star appears." Dragonlord sent five Flying Warriors to the ground, to prepare for the day of Demonyx's return.

NOW ...

The Red Evil Star appeared and the Soldiers of the Dark Dimension broke the seal which allowed Demonyx to return. The battle between Dark Dimension and the Flying Warriors is about to begin

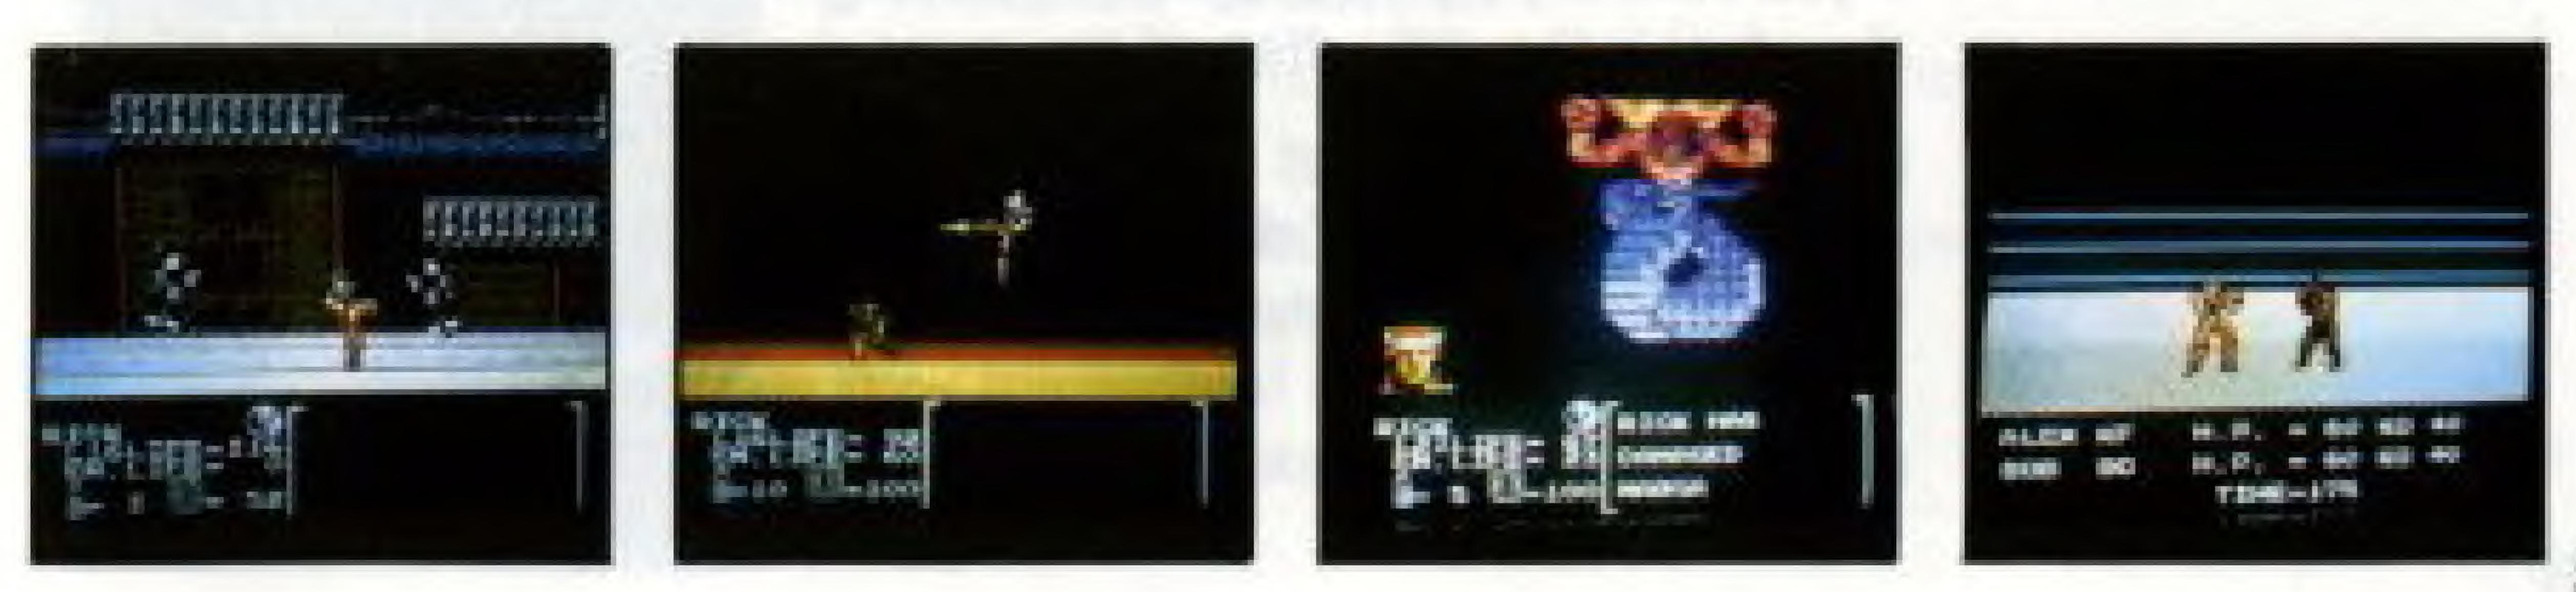

Flying Warriors has four major segments.

① The Journey Mode, with vertical and horizontal scrolling.

(2) The Battle Mode, lets you enjoy the thrilling fight action by implementing the "Shingan System".

(3) The Command Mode, Experience the battle against monsters using commands.

The tournament mode, select the favorite one from among six different kinds. of fighters and let maximum of eight people to participate.

LET'S START THE GAME!

Insert the cartridge into the Nintendo Entertainment System, then turn the power on. After the title screen appears, press the 'Start button' to bring up the menu screen.

SELECT MODE

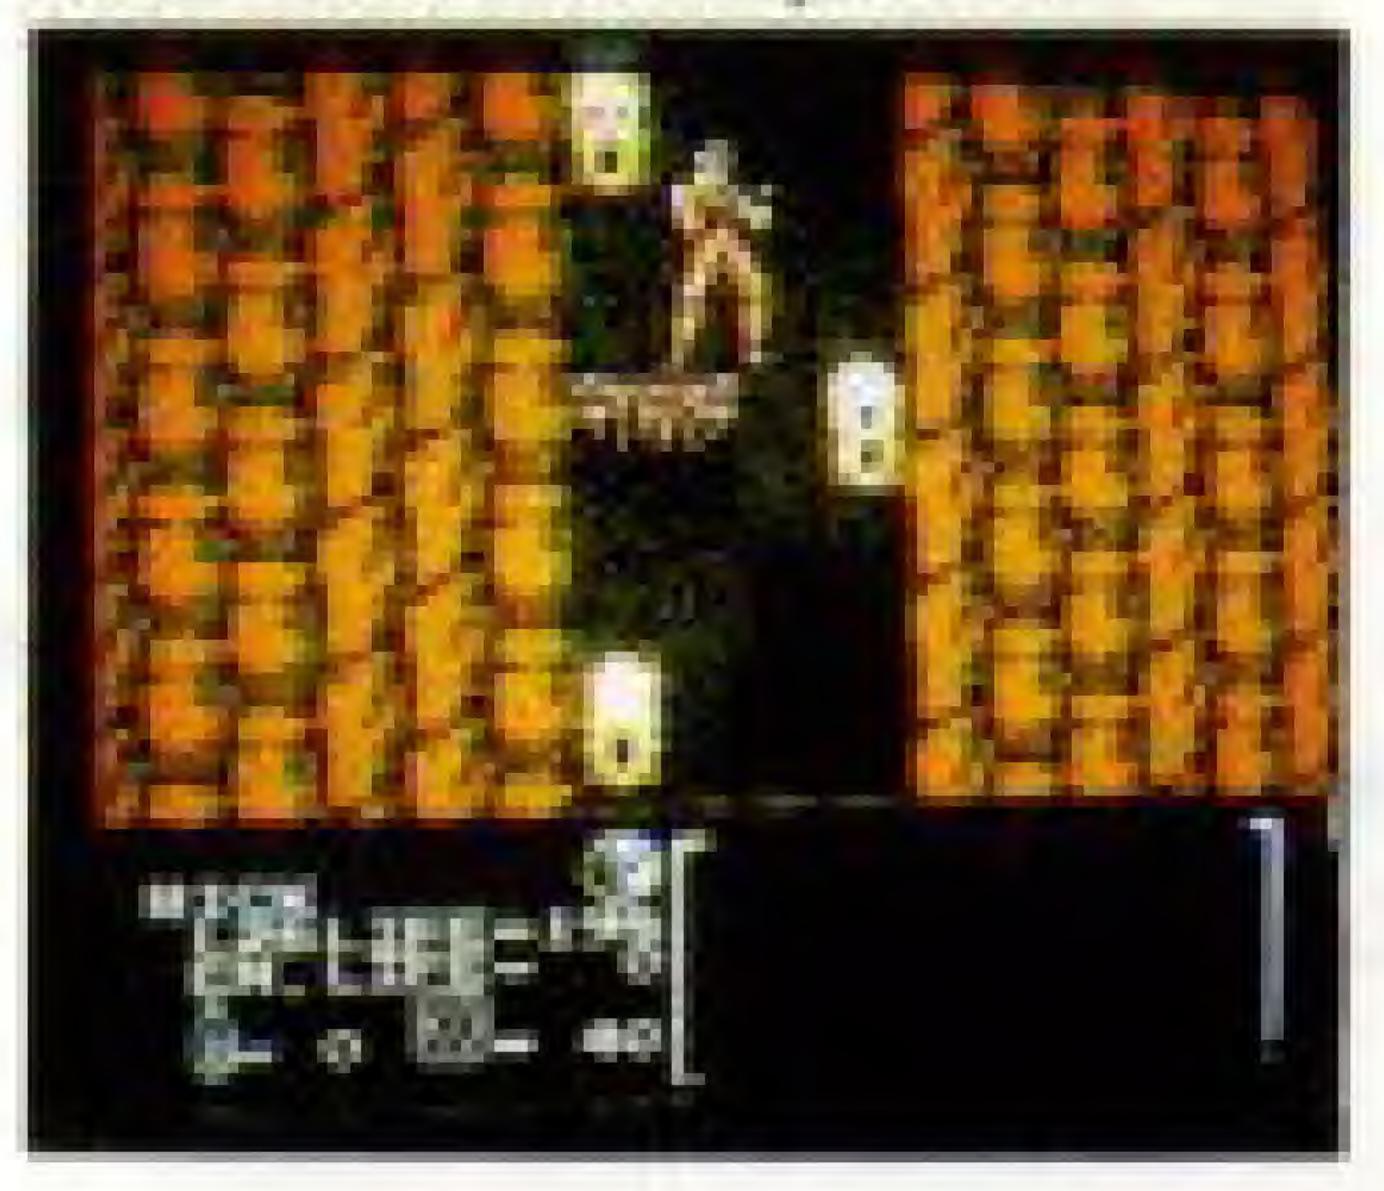

If you want to continue where you left off, select the word "Password", then enter the password you got from where you last left off.

If you want to play the game from the beginning, select the word, "Start" then decide the difficulties of the game.

If you like action, select "Expert". If you are not as confident of your skills, select "Moderate". If you are beginner or not crazy about action, select "Beginner". If you wish to run the tournament with your friends or family, select the "Tournament" mode.

OSELECT OPERATION

There are two kinds of Controller Operations. The first is the 'Master' operation which requires that you have advanced skills to manage the controller. The other is the 'Standard' operation which is much simpler.

MASTER' OPERATION

This operation is for those who like action and martial arts. You can enjoy the true enjoyment of 'Flying Warriors'!!

STANDARD' OPERATION This operation is good for people who are not as skilled, or are beginners. It is very simple. In the battle mode, Artificial Intelligence (AI) lets everyone play skillfully.

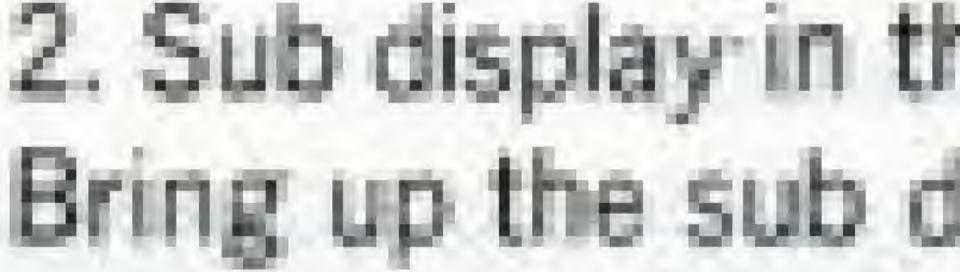

WHAT IS THE 'PASSWORD'?

It allows you to resume the last game from where you left off.

L. At the time of 'Game Over'. When Rick's life is zero, the game is over. Select the command 'Passwords' to get the passwords.

2. Sub display in the Journey Mode. Bring up the sub display to select 'Password'.

THE BATTLE MODE—SHINGAN SYSTEM—

Culture Brain created the 'Shingan System' which is implemented in the 'Defense' for realistic fighting action.

We'll show you the difference from the conventional system. After the strict practice, Flying Warriors can open the 'Mind's Eye' and see the weakness 'RED Star' of enemy as well as their own.

Select the position you wish to attack or defend by pressing the control pad.

When the 'RED star' shows up on your body, you should defend it. If you try to attack the enemy, he'll counter. You should try to attack only when the star appears on enemy's body. If you defend properly, your 'K.O. Gauge' will increase, thereby allowing you use the supreme offense skill, the 'Hiryu-no-Ken'. CRE'STARS'

The 'Red star' is not only the 'star' the Flying Warriors can see. There are three more marks.

FILE BLUE'STAR

Indicates that you can inflict more damage to the enemy than the 'Red Star'. However, the appearance of this mark is different depending on your enemy.

BHIKOU STAR

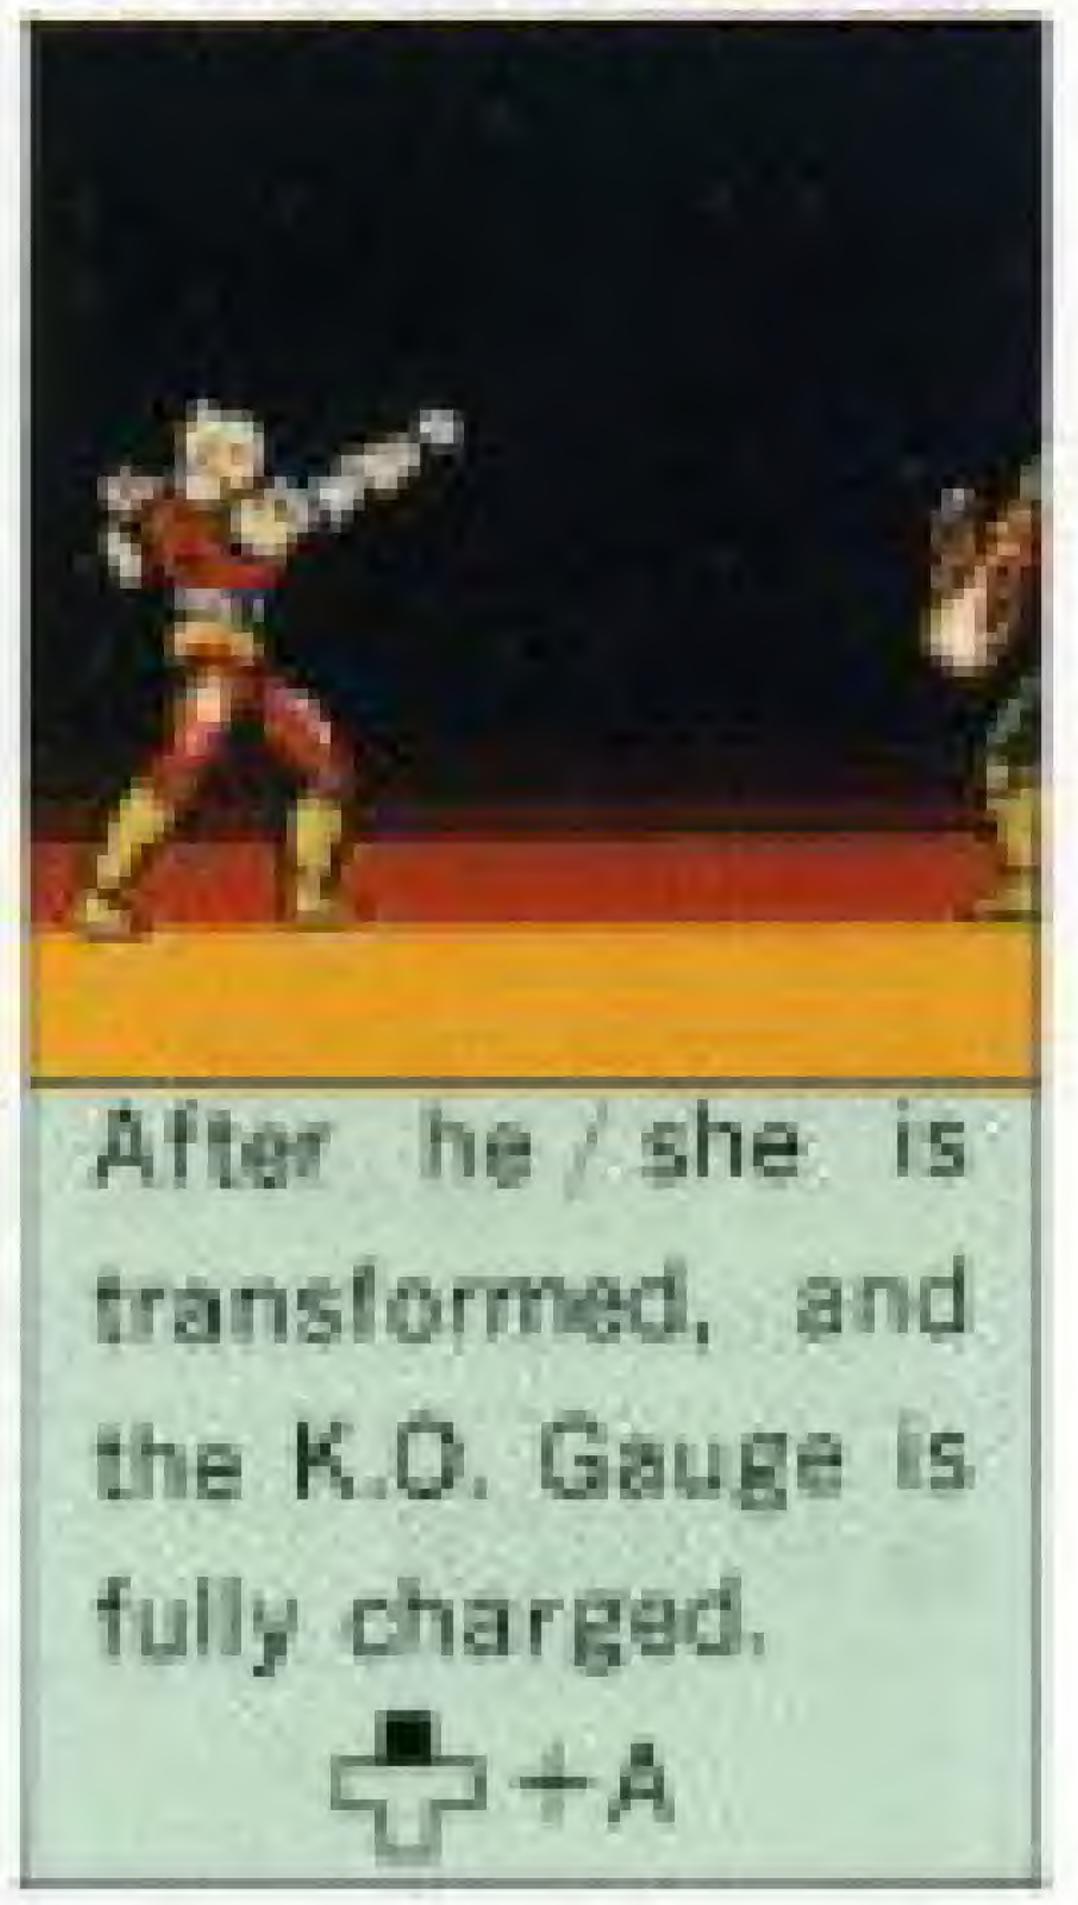

Is the ultimate mark which means you have the chance to defeat the enemy with one blow. It is difficult to get this mark. BUSH MARK'

Indicates a chance to attack continuously without any interruption. When you get this mark, press the (A) or (B) button to throw various skills automatically.
